# THE MICKEY VENDSETTER.

---

Your First **STEP** in Beverage Vending.

Mickey's VendSetter is designed to help you open up new vending locations — and service existing ones — quickly, safely, conveniently and profitably. One truck. One stop. It's that simple.

## VendSetter Benefits

- Protects your valuable electronic equipment from the weather
- Eliminates security problems
- Easy to work from
- Provides "rolling billboard" to promote your trademarks
- "Forklift-friendly"
- Offers greater flexibility than conventional delivery equipment

**DESIGNED TO WORK**  
**BUILT TO LAST**

## VendSetter Features

- Front bay on each side features conventional beverage "roll-up" door
- Beverage bays have removable shelves to accommodate 2 pallets per side
- Custom-configured bays for exact pallet specifications
- Special "Flavor Compartment" below each bay for up to 4 full and mixed cases of "seasonal" brands
- Roll-up rear door to full van body area for vending machines and parts. Holds up to 12 machines
- Hydraulic lift-gate for easy on- and off-loading

### Standard Mickey Features

- Custom bay configurations and shelving systems
- Durable, lightweight all-aluminum construction for maximum payload and increased unit life span versus steel
- Variety of floor coverings, including steel, wood and aluminum
- Easy to dismount and remount for chassis upgrades

Flip-down door compartment (bottom left) provides versatile space for tools and other items useful at a vending site.

# Mickey Parts & Service: THE CHOICE FOR QUALITY

Mickey Truck Bodies is the leading supplier of van & vending body parts in terms of availability and service. We offer a large inventory of stock parts for same-day shipping on all orders received by 2 PM, and all fabricated parts are shipped within one to three working days.

**Be sure to use Mickey Genuine Parts when repairing your Mickey equipment. Imitation parts don't compare in quality, consistency or reliability.**
