

The most user-friendly and versatile

FULL-SERVICE VENDING BODY.

It's a Mickey.

Mickey is the premier manufacturer of delivery equipment and specially-engineered vehicles sold in over 50 countries. Our full-service vending bodies include customer-driven features designed to make your vending deliveries safer, easier and more profitable.

One Body, Many Products

**Fresh, Frozen and Refrigerated Foods
Snacks and Beverages**

Vending Body Features

- Full-Width Insulated Refrigerated Compartment with Cold Plate Technology
- 8-Cubic-Foot Freezer Cart
- Black Synthetic Anti-Skid Floor
- 44" Aluminum Roll-Up Rear Door
- (2) 10-Bay Cola Racks
- (3) LED Dome Lights & LED Marker Lights
- Adjustable Aluminum Shelving
- Double Door Safe
- Full Width Galvanized Step Bumper

All-Weather Door Loc™ system

Full-length, full-contact extruded locking flap puts constant downward pressure on full width of door panel to minimize roller wear while providing a positive locking system.

All-aluminum, uni-body construction

Mickey's aluminum bodies enable you to increase your payloads because they are built stronger and lighter than conventional aluminum bodies.

All-aluminum corner and intermediate machined castings

"Sleeve fitted" to rubrail, door tracks and door post for a positive, stress-free connection to enhance strength and durability of the total unit.

We don't just design bodies, we design solutions.

Mickey's unique Service Delivery Model combines engineering expertise with a century of vehicle manufacturing innovation to turn your requirements into bottled water delivery solutions. It all starts with a clear understanding of the customer's business objectives and an detailed assessment of the vehicle's operational environment. The final product exceeds expectations for strength, functionality, quality and appearance.
